International Evening 2015

We would like to thank you all, who attended this year's International Evening, for the great time we all had and the peaceful event it was.

Once again we watched your awesome performances and tasted your great food. Special thanks goes to all the volunteers, who spent a lot of time and effort to help us create this amazing event.

We couldn't have done this project as awesome as it was without you!

Same goes for our friends at PMS, who once more showed how capable they are in entertaining thousands of guests! We would like to thank all the personnel responsible for sound and light, installations, stages, bars and security.

We are proud to announce that you broke the attendance and charity donations records this year!

Thank you all and we hope to see you again next year!
