## EGSC Movie Night

The new James Bond Movie „Spectre“ is going to premiere soon, therefore EGSC wants to continue with the Movie Nights in our Lecture Rooms.

There are going to be two Lecture Rooms open where the movie will be shown in two different languages (English with Hungarian subtitle and German).

Bring your own drinks, the entrance is free!

## Concerts for a Cause

As always, free tickets will be available for concerts at Kodály Központ. This year, we'd like to ask you to kindly consider giving a monetary donation in exchange for your ticket, which will benefit a charity of EGSC's choice.

Keep an eye out for the announcements on our Facebook page, and come to the office early, since tickets go fast!

# INTERNATIONAL EVENING 2016

The International Evening, one of the most anticipated yearly events in Pécs, is set for **Saturday 5<sup>th</sup> of March, 2016** at EXPO Center.

Further details will be announced early February of next year.
